### **PLAYER VIDEOTAPING SERVICES AVAILABLE FROM: NAME YOUR SPORT**

At our various Showcases and tournaments, the Showcase Committee makes space available to suppliers of soccer products and services that we feel may be of interest to the participants at the event.

We are currently offering access to a unique service that **videotapes individual players during games, and edits tapes** that can be forwarded to schools in which the player is interested (or just kept as a keepsake). The outfit will be present at our Showcase on April 9 & 10, both to tape at the event and to contract for future assignments.

You can obtain more information at their website at [www.nameyoursport.com](http://www.nameyoursport.com) or by emailing [NameYourSport27@aol.com](mailto:NameYourSport27@aol.com) or by calling **800-556-4164**, or if in central New Jersey **732-356-4164**

Their website includes samples of their work. For those that are video challenged, or can't be bothered taping while trying to watch a game, or who appreciate the amount of work and equipment involved in editing tape, the service may fill a desired need. While the service is probably not for everyone, some families should benefit from knowing it is available.

Please note that the Showcase Committee has no direct interest in Name Your Sport, can make no representation as to the quality of their work or purchaser satisfaction, and that all transactions are strictly between the purchaser and Name Your Sport.
