Players interested in attending but not supported by a team can post a request to guest on this page. Teams seeking to fill a need can contact players listed. Typically, we place about 6-12 player per showcase. Email info in neat order, one item per line: name, address, phone, email, field position, current age level (as U-?) & birthdate, club team & league / level it plays at, high school, soccer awards and honors, and any other pertinent information. Check submissions posted for this and from PRIOR Showcases. Please do not expect Showcase Committee to edit your submission; if not a simple cut-and-paste, it will not be posted; avoid elaborate formatting, it does not always ttranslate well onto a webpage. [NOTE: We not place players with teams. We post info on players who want to guest and we post accepted teams, and let players and teams make their own connections.]

NOTE TO TEAMS: Do consider hosting a guest. Many of the players listed are attractive recruits, and can help draw attention from college coaches to your team's games. Especially if you will have missing or injured players; short-handed teams do not show well. We also will be flexible regarding team age groups guesting a player in a Showcase event. Feel free to inquire!

It is each team's responsibility to know their state association's rules for team travel and for guest players. The number of state associations whose teams participate in our events is too large for us to track the constantly changing regulations for each individual state. Some states require a Permission To Travel, others do not. (New Jersey, for example, requires permission for its teams to travel out of state, or for out of state teams to travel into New Jersey.)

No team should have difficulty obtaining permission to travel, per USSF regulations; however a Youth Soccer state association can deny insurance coverage to its Youth Soccer teams for events held under another governing body's hosting agreement. If a team is having difficulty obtaining insurance for an event held under a US Club Soccer Hosting Agreement, please refer to the [US CLUB SOCCER](#) website for tournament insurance.
